## Core Filler Advantages

| Actual photo | Product Name | Advantages |
|---|---|---|
|  | Door core LVL Timber （Suitable for door frame skeleton & inner door core filling） | 1、Low internal wood stress, no warping or cracking under different humidity & temperature<br>2、Dual usage: door inner filling & internal skeleton support. |
|  | Solid Wood Timber Door Wooden Door for Filling （Suitable for door frame skeleton & inner door core filling） | 1、Excellent nail holding capacity, prevent door sagging & warping for long-term use<br>2、High load-bearing & impact resistance, long service life<br>3、Natural solid wood, low formaldehyde, moisture-proof & anti-mildew |
|  | Solid Wood Hollow Core Chipboard Poplar Tubular Particle Board | 1、Light weight reduces hinge load, effectively avoid door sagging, stable structure against deformation.<br>2、Hollow tubular structure brings excellent sound insulation for bedroom doors. |

| | | |
|---|---|---|
|  | Hollow Core Particle Board | 1、Made from wood scraps, cost much lower than solid wood core, perfect for bulk project orders.<br>2、Tubular hollow structure provides good sound insulation for interior doors. |
|  | Soundproof Interlocking Wood Strip Door Filler | 1、Excellent sound insulation, greatly reduce noise transmission.<br>2、Great nail holding power, hinges & locks fixed firmly without extra reinforcement. |
|  | Graphene Infill for Door Core | 1、A2 fire-rated, non-combustible, flame retardant & smoke-free.<br>2、Ultra-low water absorption, moisture-proof & mold-resistant, dimensionally stable.<br>3、Lightweight & high strength, cost-effective vs solid wood core. |

| | | |
|---|---|---|
|  | Honeycomb Paper Core | 1、Most cost-effective filling material, save bulk production cost.<br>2、Ultra-light weight, reduce hinge load and door sagging risk. |

## Filling Effect

## L-shaped Door Frame Trim with PVC Film

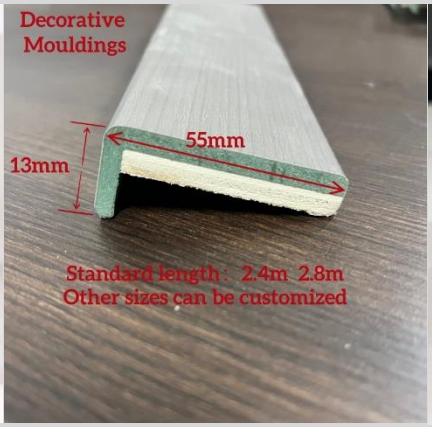

**Excellent advantages:** One-piece wrap no edge sealing, solid core anti-deform, waterproof & crashproof, easy install, various wood colors available.

**Standard sizes:** 2.4m & 2.8m

**Price range:** $1.3~$1.92

**Product images:**

## Door Seal Strip

**Excellent advantages:** Windproof, Cold Insulation & Sound Insulation

**Standard sizes:**

※ 500m/roll

※ We can cut to size for you：2.15m*2+0.95m&2.4m*2+1m

**Price range:**

【$0.062/m 500m/roll】

【$0.30/set 2.15m*2+0.95m】&【$0.38/set 2.4m*2+1m】

**Product images:**

## White Latex Glue

**Excellent advantages:**

- Strong bonding strength
- Water-based & eco-friendly, non-toxic
- Fast drying speed, high stability
- Easy to clean with water before curing
- Good flexibility after drying, avoid glue layer cracking

**Standard sizes:** Net weight: 25KG per pail

**Price range:** $**15.5** per pail

**Product images:**

## Handheld Glue Spreader Roller

**Excellent advantages:** Even glue spreading, glue & labor saving, adjustable flow, easy disassembly & cleaning.

**Standard sizes:** ※ 9-inch

**Price range:** $5.2
